Photonics and Bionanotechnology Association "PhoBiA" would like to invite you to the 7th edition of the annual "PANIC" conference. The major idea of this interdisciplinary conference is to gather students and young scientists working at the borders between chemistry, physics and biology in order to enable them to share their knowledge by presenting their work during oral presentations and a poster session. The event is organized by students and dedicated for students. Additionally, each day of the conference will be enriched by an invited lecture of a renowned scientist from the field of photonics, bio- or nanotechnology.

Abstracts deadline: 7 March 2016

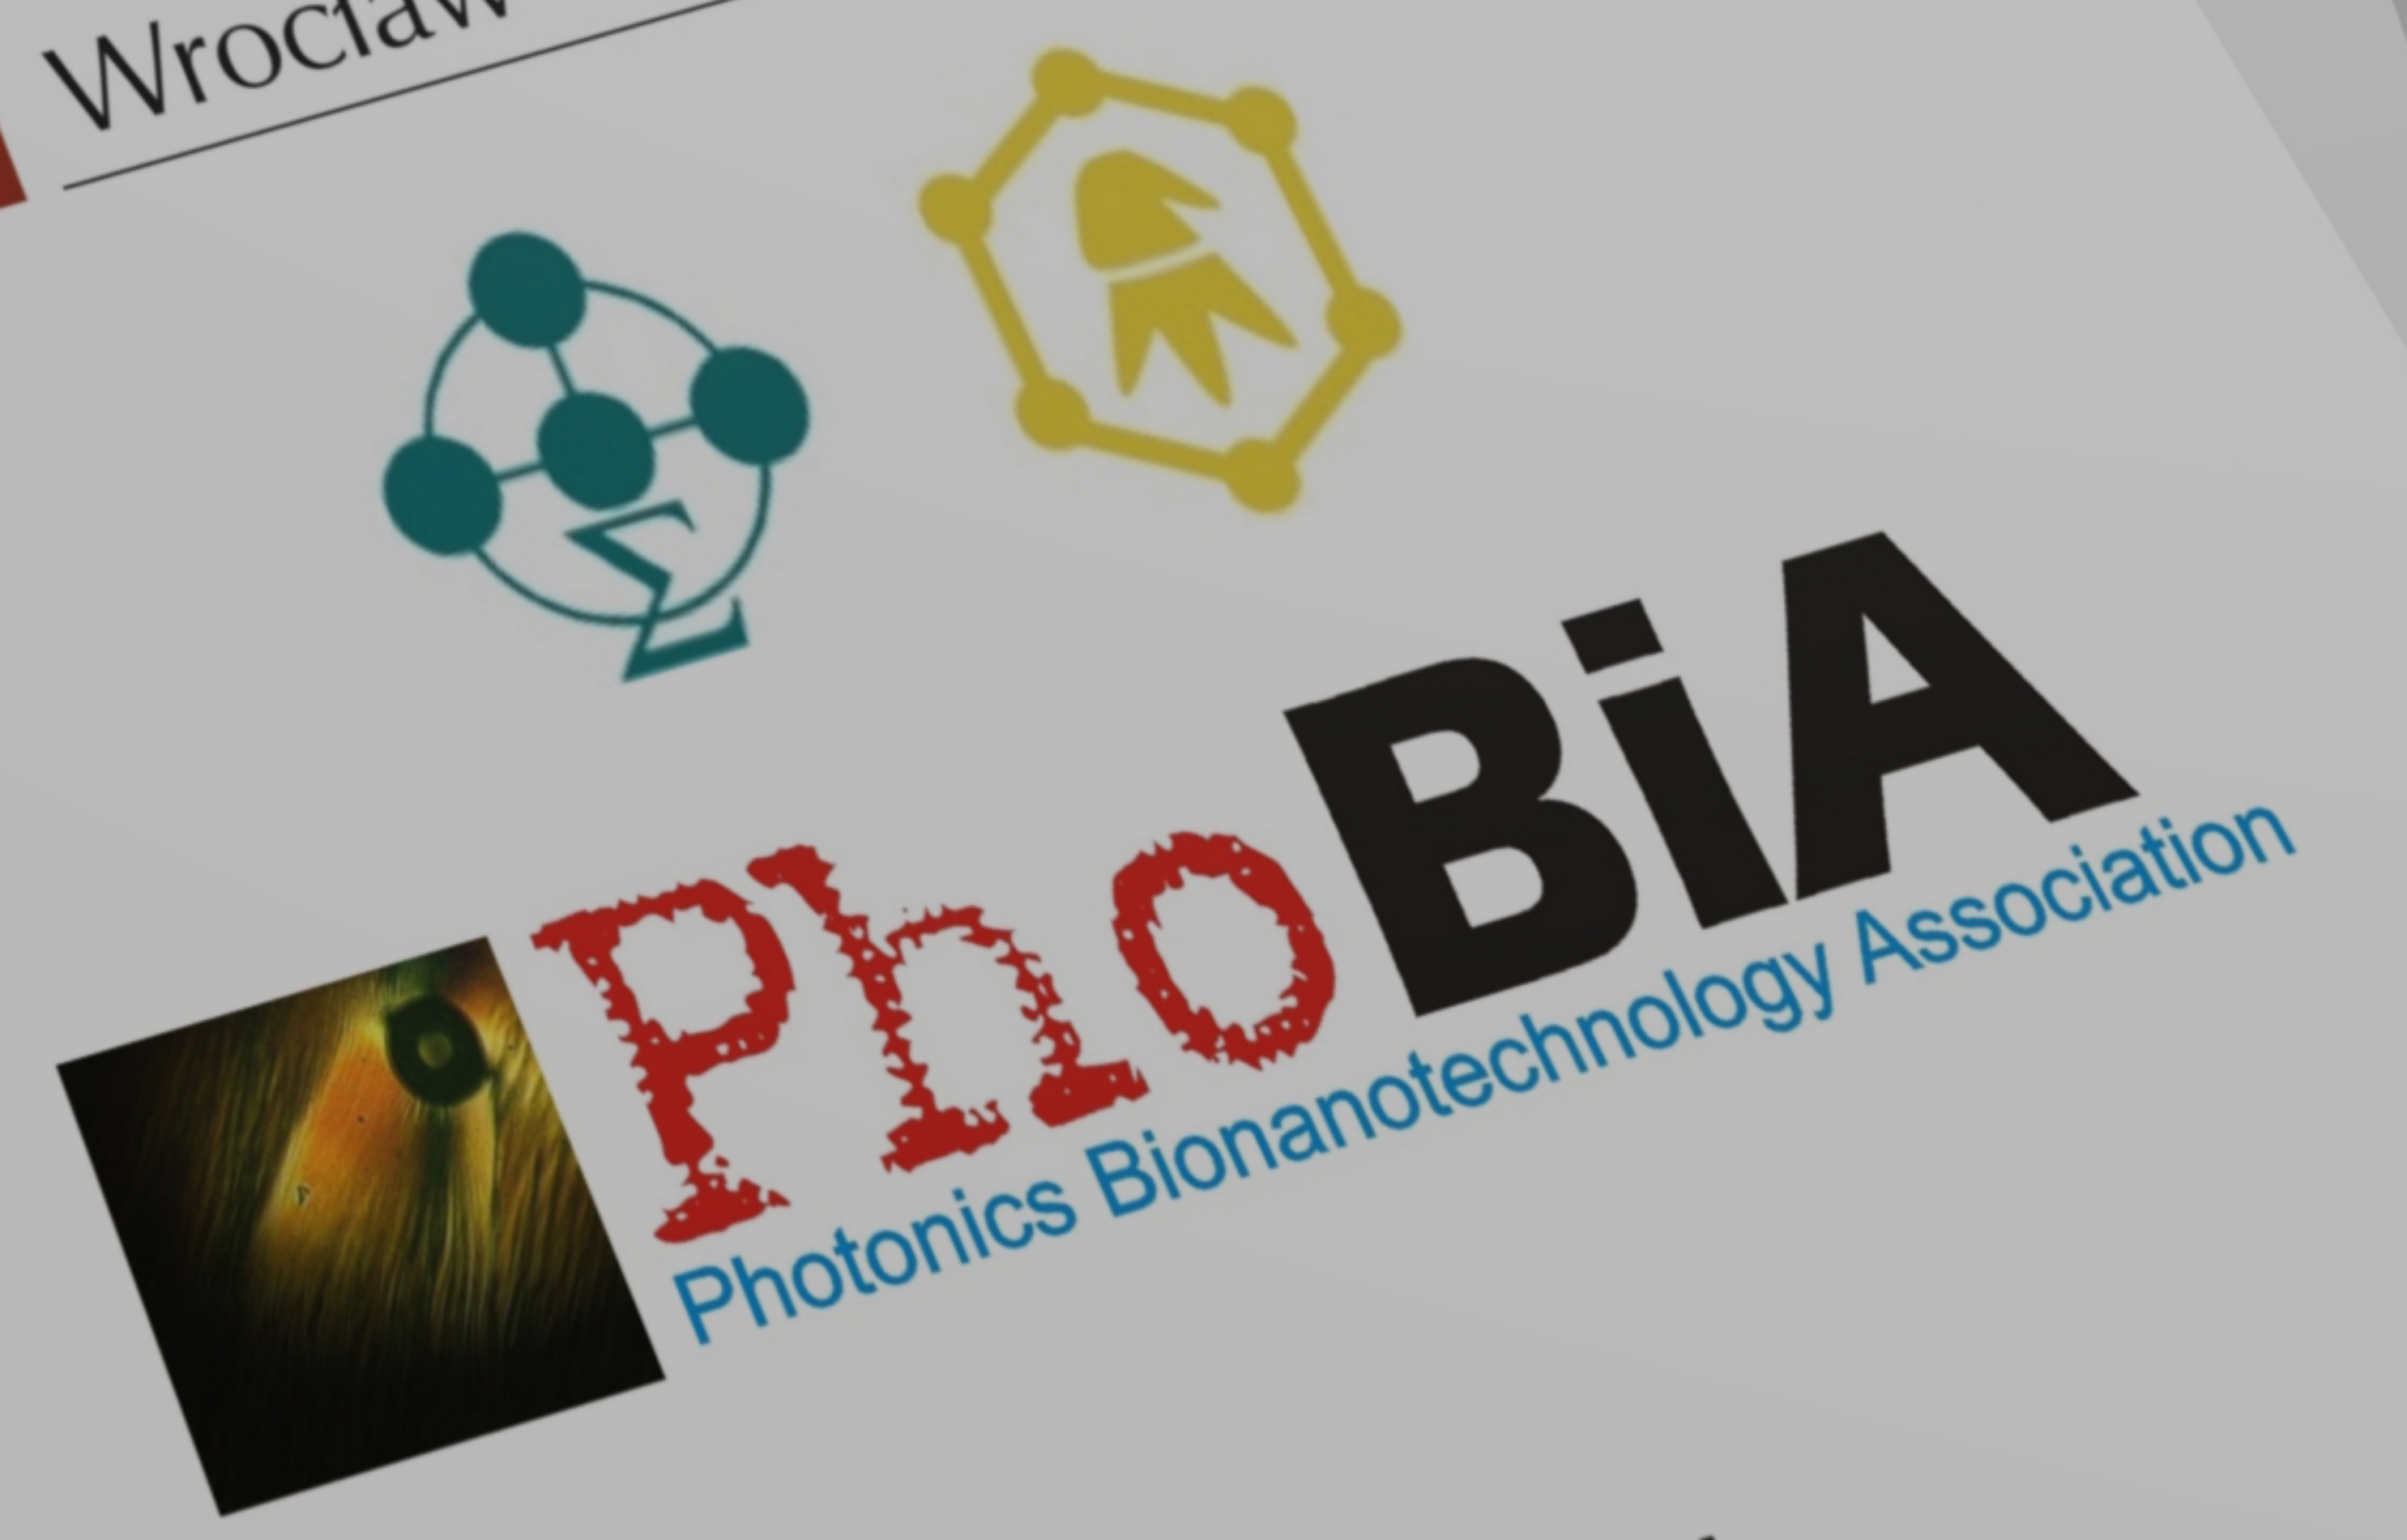

Conference fee:

before 15 March: 150 PLN / 35 EUR (basic)
or 300 PLN / 70 EUR (extended)

between 16 and 31 March: 200 PLN / 50 EUR (basic)
or 400 PLN / 100 EUR (extended)

(Extended fee includes lunches and social events)
